LANGUAGES

English (Advanced)

Romanian (Native)

I consider myself an ambitious person, always maintaining a positive attitude and eager to learn new things. After completing my Bachelor's and Master's degrees in History, I worked for one year as a history teacher. I then spent two years working as a ridesharing driver in Cluj-Napoca. Since August 2025, I have been working at Selgros Cash&Carry as an Order Picker. I am always open to new challenges!

WORK EXPERIENCE

Order Picker

Selgros Cash&Carry • Cluj-Napoca

Aug 2025 – Present

- I prepare and organize products for business clients by accurately selecting products from the sales floor and storage areas. I ensure that all items are properly checked, packaged, and ready for pickup or delivery according to each order.

Uber Driver

MDA Auto Solutions • Cluj-Napoca

Apr 2023 – Mar 2025

- Provided safe, timely, and customer-focused transportation services across Cluj-Napoca. Maintained a high customer rating and demonstrated excellent navigation, communication, and time-management skills.

History Teacher

Școala Gimnazială Valea Ierii • Cluj

Sep 2022 – Sep 2023

- Taught history to students in grades 5 to 8, created lesson plans, encouraged active participation, and evaluated student performance. Fostered critical thinking and historical curiosity among students.

EDUCATION

Master's degree: Medieval History

Universitatea "Babeș-Bolyai" • Cluj-Napoca

Oct 2020 – Jul 2022

- Focused on the cultural, social, and political evolution of Central Europe from the Middle Ages to the modern era. Emphasized interdisciplinary research, historical analysis, and identity studies in a European context.

Bachelor's degree: History

Universitatea "Babeș-Bolyai" • Cluj-Napoca

Oct 2017 – Jul 2020

- Studied key historical periods, methodologies, and research techniques. Developed strong analytical, critical thinking, and writing skills through diverse coursework and thesis research.

COURSES

Java Programming Course

FasttrackIT

Aug 2024

- Studied core programming concepts, algorithms, object-oriented programming, and Java-specific frameworks and tools.
